**110th Annual Regional  
Show**

The Proserpine Agricultural, Pastoral & Industrial Association is presenting the 110th Annual Show Whitsunday in 2023, the longest running event in our wonderful region. It is also the largest social event in the region. Show Whitsunday attracts over 10,000 visitors and competitors to our wonderful region.

The show's diverse program provides numerous opportunities for the many talented people of the Whitsunday region to show off their creative crafts and skills. The program also includes many competitions in a variety of areas from cooking to equestrian events. Sections and exhibits include, but are not limited to, cattle, poultry, woodchop, art, horticulture, needlework, photography and much more.

The event also provides further opportunities for a variety of local businesses to promote their various products and services to the general public, allowing them to take the time to answer questions, discuss options and make sales over the 2 days.

And what would a show be without entertainment and food? From the wonderful show rides, traditional show fare such as dagwood dogs and waffles, to the free entertainment in the main ring, and of course, the massive fireworks on Friday night. We also have a number of not for profit groups that use the show for their main fundraising activities from the hardworking Rotary and Lions Clubs in the Dining Hall to the Junior Rugby League's 'Guess the weight of the bull' competition!

As you can see, the annual show is not just about ferris wheels and fairy floss. It's about community, and our small, but incredibly hardworking and dedicated volunteer committee, and workers put in many hours to ensure its' continued success. All monies raised are put directly back into the showgrounds and it's facilities, so that the region's community groups, and the general public can enjoy the facility throughout the year.

If you are interested in becoming an important part of this region's most iconic event in 2023, please read on for further information. We would love to have you join us. Please do not hesitate to contact us if you have any queries. Our team will be happy to help.
